

The North Shore Library Community Room Policy

The Community Room

Capacity: 60 (seated), 100 (maximum)

Hours Available: During open hours until 15 minutes before closing

The primary purpose of the North Shore Library Community Room (NSLCR) is for Library use, which includes the Library's own programs, programs sponsored or co-sponsored by the Library, and programs hosted by the Friends of the North Shore Library. When the NSLCR is not needed for Library programming it is available for use by local non-profit or for-profit groups/organizations, neighborhood groups/organizations, or by government agencies or officials.

- ◆ Library programs or Library-sponsored programs will take precedence over non-library programs.
- ◆ In case of scheduling conflicts, preference will be given to Bayside, Fox Point, Glendale, or River Hills non-profits, organizations, or groups.

The Library Board adopted the *American Library Association's Library Bill of Rights* which states in part, "Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use." The North Shore Library does not advocate or endorse the viewpoints of NSLCR meetings or users.
